To

B.K.Venkatavarada Iyengar Esqr.

Secretary to the Government of

His Highness the Maharaja of Mysore,

General and Revenue Departments, Bangalore.

Sir,

I have the honor to report that in connection with a recent order of the Superintendent Bangalore Central Jail, in which some of the ration articles were said to have been issued to prisoners in less quantity than the prescribed scale by Government, a Circular was issued from this Office requiring Superintendents of both Jails to submit for my perusal their diaries and order books not later than the 5th of each month with a view to see whether the orders recorded by them during the previous month are in conformity with the Rules in force for the time being.

2. The Superintendent Bangalore Central Jail in his letter No. 271 dated 26th August 1904, points out that it has never been the practice for him to send his diary and order book, nor is it so laid down in the Jail Manual. But however, he states that he has no objection to send these two books for my inspection.

3. While the Mysore Jail Manual does not lay down quite clear Rules in all such matters, the fact that the management of the Central Jail is subject to the general control of the Inspector General is apparent under article 16 of the same Manual.

4. To be more clear and explanatory on this subject, I am to request that you will be so good as to obtain early orders of Government to embody articles 58 & 59 of the Madras Jail Code in the New Mysore Jail Manual with the words "every month" substituted for the words "every fortnight" at the end of the 6th line in Article 59 of the said Code.
